

HUT DEPARTURE CHECKLIST

Please follow all guidelines below and be thorough with the highlighted precautions to eliminate the spread of viruses at the huts

1. **Renew wood and kindling supply for hut and sauna. Place all tools: mauls, axes and shovels inside hut.**
2. **Empty all snowmelt pots and slop buckets outside at the sign. Rinse containers with bleach water and turn over to dry inside.**
3. **Wash all dishes and cooking/ eating utensils, plate ware, cutting boards and pots/pans with 3 bin washing system described in the Hut Manual. Finish with bleach water rinse. Allow to drip dry and put away in appropriate storage places.**
4. **Clean tables and counters with bleach water rinse.**
5. **Scrub plastic dish basins with bleach water and place upside down.**
6. **Spray all surfaces with Hydrogen Peroxide Spray and wipe with paper towel. Include: Table, counters, benches, door knobs/handles, stove tops, plastic coated mattresses and toilet seats.**
7. **Remove ALL food and take out with you. Clean Coolers and Food Storage boxes with bleach water and/or Hydrogen Peroxide Spray.**
8. **Turn off ALL solar lights and inverter.**
9. **Turn off propane at the tank (include Barbeque)**
10. **Retrieve and burn toilet paper bag in wood stove from outhouse or pack out with your garbage. Be sure to have hot fire and completely burn bag and contents.**
11. **Let fires burn out in wood stoves-do not use water. Make sure campfires in fire pit is dead-out (use water here)!**
12. **Sweep all hut and sauna floors**
13. **Pack out all garbage and leftover food.**
14. **Replace/close any clear vinyl windows- leave rolled (green) covers up.**
15. **Shut and latch all doors.**

THANKS FRIENDS!! WE, AND THE NEXT PARTY USING THE HUT, APPRECIATE YOUR CARE!
